Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: Claims 10-25, 27-29, 31, and 32 are allowable over prior art references because related references do not disclose all the limitations of the claims, particularly, detecting potential impairments corresponding to each of the N phases based on the sequence of received symbols including a positive and negative instance of a symbol from a predetermined set of symbols, wherein the N phases are grouped into a set of characteristic groups according to the effects of periodic impairments present in the N phases.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
